Dear Friend,

Sending you this sensitive information via email instead of certified post-mail. Well, my name is Mr OSCAR GRAHAM, a solicitor and finance lawyer based here in Instabul Turkey. Though I did a lot of web search before choosing your contact from your country's website and business online register. It is with trust and sincerity that I approach you for assistance in a business project for investment purposes in your country.

However, I seek your concept to present you as the next of kin to my deceased client who made a deposit of Twenty-Five Million United State Dollars only with a bank here, since you are at an advantage bearing the same last name with my deceased client, so that the proceeds of the deposit funds valued at Twenty-Five Million United State Dollars only can be paid to you and we shall both share the funds amicably 60% percent goes to me while 40% percent will be for you.

If you can be trusted then I will appreciate you kindly get back to me immediately for more details to enable us proceed with the fund transfer process. I guarantee you that this will be executed under a legitimate arrangement that will protect you from any breach of the law.

Thank you and best regards,

Yours Truly,

MR OSCAR GRAHAM
